

PC Electronic Labeller with Wireless and Near Field Communication (NFC) capability

Create a great variety of labels using label templates and print out speedily via computer or mobile devices.

- Print directly from mobile devices
- Compatible with Windows® and Mac® OS Systems
- Wireless or Near Field Communication (NFC)

LABELS THAT STICK.

P-touch

TZe laminated labels – designed to last

Brother TZe laminated tapes consist of six layers of materials, resulting in a thin yet extremely strong label. The direct thermal transfer ink is sandwiched between two protective layers of PET (polyester film) which protect the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels are tested to the extreme, professional quality labels have been designed to last.

Laminated

Temperature Resistant

Water Resistant

Fade Resistant

Abrasion Resistant

Chemical Resistant

Easy Peel

Strong Adhesion

Flexible connectivity options. Ideal for multi-users environment.

PT-P750W Electronic labeller allows multiple users to connect via a wireless network and print from a computer or Apple® iOS and Android™ mobile devices. PT-P750W can handles multi-label creation from imported database and print out speedily up to 30mm per second with automatic half or full cutter that helps to save time.

Flexible Connectivity

Multiple users can connect via wireless network, NFC or USB connection to print

Great for Developers

Operates on an open-source development platform, app developers can integrate label printing into iOS and Android applications

Super-fast Printing

30mm per second fast print speed

Mobile Device Printing

Print labels using the free Brother iPrint&Label app on Apple iOS or Android mobile devices

Pre-loaded Software

Connect to the Pre-loaded P-touch Editor Lite label design software using a USB cable to a computer to print

Variety of Design Options

Wide variety of label templates

Accessories

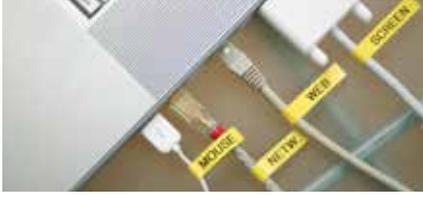

Multiple Power Options

Use 6pcs of AA batteries (not included)
Uses AC Power adapter, Rechargeable Li-ion battery (Both items included)

PT-P750W

Organise workplace with clear, high quality and durable labels for office stationeries, archive folders, company assets, shelves, parts labelling and custom signages and many more other applications.
